Internship Offer Letter

Generated for applicant records on 2026-06-22.

Dear Muhammad Muzaffar Rahman,

Congratulations. TheSHFTApp LLC is pleased to offer you participation in the TheSHFTApp Internship Program for the position listed below, subject to your review and electronic acceptance of the Internship Agreement Package.

Participant: Muhammad Muzaffar Rahman

Email: chmuzaffarrahman@gmail.com

Position: Educational Internship – Workforce Technology, UX & Research (Remote)

College / University: Government College University Lahore

Expected Graduation: Computer science

Location: Remote

Expected Program Length: Approximately ten (10) weeks

Estimated Commitment: Approximately 5–10 hours per week

Compensation: Unpaid educational internship

Program Overview

This internship is intended to provide educational, professional development, and experiential opportunities through participation in platform testing, user feedback, research activities, and optional project groups related to workforce technology, user experience, and research.

Important Terms

This offer is conditioned upon your review and electronic acceptance of the Internship Agreement Package presented through TheSHFTApp's internship acceptance page. The agreement package governs participation, confidentiality, intellectual property, resource usage, media/testimonial release, conduct standards, and related program requirements.

This internship is unpaid. Certificates, references, recommendation letters, premium access, and other benefits are discretionary and dependent upon satisfactory participation, conduct, and completion of deliverables.

Next Step

Please complete the internship acceptance flow, electronically sign the required acknowledgements, and join the TheSHFTApp Discord community for program communication, announcements, assignments, and collaboration.

Sincerely,

TheSHFTApp LLC
